TRAVELERS

MISCELLANEOUS PROPERTY

COVERAGE

We offer alternatives for insuring specifically described property at a fixed location or wherever the property is located within the coverage territory, including in transit.

- Options are available for a scheduled or blanket limit.
- There are a range of additional coverages and coverage extensions that can be addressed with varying limits, such as:
  - Preservation of property
  - Reward coverage
- Multiple coinsurance options best suited to the property.
- Flood and earthquake included in the base coverage form.

RISK CONTROL CAPABILITIES

Our Risk Control specialists work with you to understand your operations. This collaborative approach enables us to offer recommendations that target your company's unique exposure to property loss, whether at a single location or in transit.

CLAIM CAPABILITIES

Our Claim team specializes in efficient and proactive claim resolution so that you can mitigate losses and get back to business.

Our **Special Investigations Group** team performs recovery investigations and theft prevention consultations.

Businesses are continually evolving. Miscellaneous property coverage can keep up with those changes.

By allowing us to insure your unique property using language and valuation that is best suited for the property, you can feel assured that you can keep your business moving forward.

Flexibility is a hallmark of this product; no two policies will be the same. Travelers can help with your diverse property needs.
